Ann and I were friends many years ago. She was a special friend as a neighbor classmate at WHHS. I have thought of her so often but regret I never called and got in touch after moving back to Greenville. She was such a sweet friend

So very sorry for your loss. While working with the Duncans for over 20 years in Greer, I became close to the whole family. Seeing the children grow up and seeing what a wonderful wife and mother that Ann was to her family. I know she will be missed. I will keep all of the family in my prayers.
