“ *First met Ann while we were roommates at NHC of Greenville.  
Although I only knew her for a few weeks we became friends and I  
will miss her greatly. She had a great smile and loved to talk about  
her family and her life growing up in Ohio. She loved pretzels and  
crispy cheetos and would get one of them whenever the snack cart  
came by our room after supper. My deepest sympathy to the entire  
family - may the memories of all the good things and fun times you  
had together during her lifetime bring you comfort during this trying  
time.

“ Always appreciated Ann's sweet spirit. Although soft-spoken she always made it clear she was open to conversation and was interested in others. We will miss her.
