“ So sorry to hear of the passing of Ann. I grew up with Ann and Michelle on McDaniel Ave. I have such fond memories of swimming, playing in the creek, bike riding & roller skating up and down McDaniel and of course, playing Barbie dolls. What a fun childhood. Ann was always part of the group. I thought the world of her and have prayed many prayers for her as she fought this horrible disease. Prayers for Michelle and the family to give them strength to get through this hard time and to soon be able to smile at the good memories you all have of Ann. I know your hearts are broken.

“ Ann and I have been friends since the first grade. No matter how long it was between the times we would see each other, it was always like seeing my best friend each time we had the opportunity to see each other. She was always one of the sweetest and most kind people I have ever met and I loved her very much. She is going to be missed by a lot of people. I am sorry for your loss and know that God has one more angel in heaven.
