“ My love for you is immeasurable. I can't being to explain how much you mean to me. I talked to you almost everyday about everything. You knew me better than I knew myself. I know you are having the time of your life and I will always remember you telling me "If anything ever happens to me just know your Aunt Anna loves you." I will always keep your spirit alive and let Phoenix know how much her Aunt Anna loves her. I miss you so much and can't wait for the day I get to see you again. Don't worry about your boys, I will take care of them. Until we meet again my angel!
