“ I just recently found out Our Sweet and Loving Friend Anna has went on to be with the Lord. She and I worked together for many years. After She chose another career we would see each other in passing and it was just like the first time we met.

She Genuinely Loved her Family, Friends and Everyone that crossed Her path.

It's hard to believe our Sweet Friend Anna is with Jesus now.

Please know we will Miss the Angel God brought to Earth for us. I called Her Anna Mae my Friend.

Many Prayers and Much Strength we Extend to Anna's Beloved Family, Friends and Loved Ones.

Gods Peace Be with each and every One of you.

Love Dollie Fowler, Anna's Friend, always.

“ *What would you say about such a dear person as Anna? Her infectious smile would light up a room, and her easy-going manner and genuine love spread across many miles and touched lives of those she met. She and I taught school together at D.R. Hill. There were many memories made there, and the friendships were special. I have beautiful Japanese iris planted in my garden that came from Anna. They have been here about 20 years and will now mean even more to me than when I planted them. I think Anna was a light that sat upon a hill, and her radiance has shone down on all who knew her. She will be missed.*
