“ Skip and Family, please accept our sympathy in the loss of Anne. She was a good neighbor and we will miss her very much. I will particularly miss her driving by while doing yard work. She always waved and smiled as she went by. I will not forget her.

“ I am so devastated to hear the news of Anne's passing. Growing up working at Savannah's from age 16-22, she and Susan were a huge, loving influence on my life. Even after the store closed, we kept in touch.

*She was with me through my first love, first heartbreak, high school and college graduation, the coming and going of friends, and every trauma and triumph in between.*

*I'm sure it wasn't easy managing young, moody girls, but she was always so caring and compassionate towards us all. I will miss her laugh and her smile so much.*

*My heart is with the family during this time. Mick Mick and Daddy, I'm not sure I ever said thank you for all the times Anne loved me so I will say it to you both now. Thank you for welcoming me into your lives and blessing me with a boss and friend I will never forget.*

*Love and Prayers, Brittney##imported-begin##Brittney Craven##imported-end##*
