“ Dear Danny,  
I am so sorry to hear of the loss of Ann. What a wonderful sweet person she was. She always had a smile and a hug for everyone. I know what a loss this is for you. Times will be hard, but all you can do is live everyday minute by minute, day by day. As you will find out she will always be with you through everything. Try to find peace in knowing she no longer hurts and has a new body free of pain and that you will see her again. Unfortunately I will not be able to come to the service, but please know that if you ever need to talk you can call me. You will be in my thoughts and prayers.

May God be wit you and your family,
