“ Lynn:  
*You are the M'Lynn of this Steel Magnolias. To quote from the movie ... "I was there when that precious creature drifted into my life, and I was there when she drifted out. It was the most precious moment of my life." You were there in the beginning and ending of Toni's life. No one can take that away; a Mother-Daughter special bond.##imported-begin##Debbie##imported-end##*
