“ We as kids could not say Aunt Arlene so we all just called her Aunt Moo and that name just stuck. I always looked forward going to her house and seeing her cats. Most in particular Morris. Aunt Moo helped me get my first full-time job at Greer Mill. She taught me everything about weaving and she was rather good at it along with her friend Carolyn. I love you and Im gonna miss you but I will see you again someday. Give my momma a huge hug and kiss for me.

“ Dear Reba, Judy & James:
You have my sympathy in the loss of your Mother. I remember the Stanley parties at her house and the fun we had. Mother enjoyed coming there so much and your Mother enjoyed it too. That was part of the good 'ole' days - good memories. May God's love and mercy give you peace during this sad time and may your many happy memories keep her close to your heart. May God bless you all. With my love and prayers. Linda Coggins Roberts
