“ I am so sorry that you have lost someone so precious, but our lost is heaven's gain. Pops will be missed tremendously his passing has left a hole in a lot of people's hearts. He was a sweet spirited kind hearted soul. I consider myself very blessed to have had him and your entire family as part of my life for so many years. I imagine by now him and my dad have had the opportunity to chat and perhaps shared a cup of coffee together while admiring the beauty of heaven. I love you guys and continue to pray that God will give you grace as only he can during such a difficult time.

With Much Love,

He is probably running down those streets of gold yelling look at me go! We will continue to remember you all in our daily prayers and thoughts, but just trust on God and He will see you through these difficult days ahead.
