“ *To the Hull family. Sorry to hear of Art's passing. Art helped train me when I started to work at TMS. It was called IMSCO at that time. So much to learn! I appreciated his efforts. My prayer is for God's peace to fill your hearts.*

Have known Art over 40 years and have appreciated his friendship. He was always willing to share prayer requests and offer help or a humorous anecdote. We will miss him at church and in our neighborhood.
