“ *Mr. Netto lived with us at Magnolia Place Greenville for about two years. In that time he quickly formed some very strong bonds with both other residents and staff! He was a precious fellow with a heart of gold! He shared his life stories with us and he was always sure to go out of his way to make others feel good about themselves!!! Even after he move to another place down the road, he had someone to bring him back over a time or two so he could visit with his friends here! He will always hold a special place in our hearts! We will treasure the wonderful memories and he will live in our hearts forever !!*
