“ Mike will always have a special place in my heart. When I told his ophthalmologist of his passing, his comment was, "Mike was really a class act!!" He truly was a gentleman and a man of so many talents. I cherish my very special memories of our times together in the last few years and will never enter the Peace Center again without missing him! My deepest love and heartfelt prayers to all of his girls and their families, Ellen##imported-begin##Ellen Whitworth Powell##imported-end##

“ I live at Oakleaf Village where Mike was a resident. When I first moved here he was kind enough to give me a list he made of all the residents names and room numbers so that I could get to know everyone. He was warm and welcoming from day one. I will miss him. My thoughts and prayers are with his family and friends during this difficult time.

“ Mike Shankle Family,

*As a co-worker of Mike's at Fluor for many years prior to his retirement, I wanted to express my heartfelt condolences to the family in regard to his passing. Mike was an individual who was held in high esteem by everyone he worked with including myself. I'm sorry to say that I had lost touch with Mike and had not seen him in several years. My last contact with him was when I met him in a restaurant one evening while he was caring for his wife in the nursing home. Your whole family will be in my prayers.*

“ *I am so sorry to hear of your loss and I'm praying for you all. I worked with Mike at Fluor Daniel and so much admired him. I was very fortunate to have seen him a few years ago, when by chance I repaired his computer. What a dear man and I am a better person because of the impression he made in my life while working under his guidance at Fluor. My prayers are with all of you.###imported-begin##Barry Mullinax###imported-end##*
