“ To all the Galloway family,
Our whole family loves you all and remembers so many good times with Artie. Growing up camping with the family is one of my best childhood memories. Artie was always so classy and gracious and such a good cook. I don't know how she always seemed so calm with four boys (sorry guys). Then later as we kids were grown and away, Mom and Dad continued to treasure their friendship with Artie and Gerrell. Sharing meals and playing games at Lake Greenwood was so much fun for them. We all miss those times but will always relish the memories.

Mom and Dad may not be able to see you in person but their thoughts and prayers are with you all.

“ *Garrell and family,*

We are so sorry for your loss. We will all miss Artie. Mom and Dad are really saddened by Artie's passing. Mom always talked about you and Artie and what good friends you have been over the years.

Artie is in a better place and she will live forever in our memories.

We are in Shanghai, but thinking of you from across the world.

Love,
