“ *Such a precious person with kind words, and a beautiful smile every time she saw you. A sincere friend with encouraging words every time she would talk with you and made you feel so special. Her family is a reflection of her as they are just as sincere and special. We enjoyed our years of fellowship with them when our boys played baseball together in high school and legion ball - such special times to make precious memories. Our paths crossed again during work at Liberty Life and our friendship was continued - how thankful we are for our friendship with them. Such a beautiful southern woman who showed love to all she met - we have lost a wonderful lady but Heaven has gained a beautiful angel. May God surround you with His love with grace and peace during this difficult time and may your many memories give you comfort and keep her close to your heart. God's promise is we will see our loved ones again with Him in Heaven and that will be a glorious day to rejoice in the sweet bye and bye. May God bless and keep each of you,*
