Miss Audrey and mom were like best friends at the nursing home. They always were together and in the same room too. Today mom asked me where she was and I told her she was in Heaven now and mom who is 95 said she wanted to go too. I miss Miss Audrey so much I could always get her and mom laughing about something. I'm praying for your family to go on in this life until we leave this world and go to a place where we never will die or hurt again. Vickey and Coleen try and hold on to the memories yall have until your'll together again . I love yall and Jesus loves yall too.
