“ Vickie and Cindy,
We are terribly sorry to hear about your mothers passing. She was such a dear friend to our mother and our family. I can remember laughing with her many times and always having such a pleasurable time with her. Your family was an important part of our family since our mothers worked together and our daddy’s worked together many years at Appalache. May you feel God’s grace, love and presence during this difficult time. We will have you in our prayers.

Respectfully,

The Rudolph Ashmore Family

“ Nell was my best friend for many years. We played golf together, of course she always beat me. We went out to eat many times. Her favorite was whole catfish at the South House. Nell loved her children and grandchildren. Her great grans were so dear to her. I loved her dearly and will miss her.
