“ *There are no words to say how much Azalee was loved by all. She was always the first one there if you needed anything. She loved her family, her friends and above all she loved her Jesus. We had some wonderful times together. I will definitely miss our Christmas morning trips to iHOP, our 4:30 suppers at South House, our other times together. She just had supper at SH Thursday. We laughed about my surgery, her surgeries- she was going to come pick me up since I couldn't drive yet but she could. I will truly miss this precious lady. Leland, Mike, and her beautiful grands she loved y'all more than anything. I will always remember her last words on her voicemail - "Have A Jesus Filled Day". So, my friend, I will miss you, love you, and I know "Azalee is having A Jesus filled day".*
