“ *I will remember Azilee for as long as I am here on this earth, but I know that she is with the love of her life (Tom)! She always loved her yard work and all the neighborhood cats!!! She took one of my cats away from me (LOL!!!).
I will never forget sitting on my deck one evening and watching a fox, a raccoon, and a cat all eating together around her "community food pan" in the backyard!! That was an amazing sight and there are many, many more fond memories that I will have of her and Tom!!!
Patsy, may the Lord wrap his arms around you and your family to comfort and guide you the this next chapter in your lives.*

Love you and always there for you!!
