“ *Where would I start on the memories of you. From the earliest childhood to feeding you watermelon in your nursing home bed. Everyday of my life there is a memory of you. You loved us unconditional, always worrying and fussing over us. We love Mama, you'll always be right here in our hearts 💕💕 Knowing that your free from that horrible disease is what will carry me through these days. Tell my Dad and Papa that I love them and miss them as well. Until I see you again , I love you Mama. Love your daughter ❤️*
