“ *So sorry. We had not know her last name was Kohler. We always called her grandmother Davis. We only knew her a short time, but we loved her. Sweet Lady.*

“ I met Barbara in 2008 when we bought our home across from her. Barbara quickly became a faithful friend and sister in the Lord. She was like a grandma to my 5 kids. We will miss her but so glad she's at the feet of her Lord and Saviour. One of my last gatherings in my home we had an old time singspiration. We sang "Until then" she mentioned to me that was one of her daddy's favorite songs. So Barbara... Until then...what a day that will be. Until we met again we love you and will always miss you. Thank you for being our most favorite neighbor ever. Love all The Moores ...Bonnie and Charlie and kids

“ We had the privilege of living next door to Miss Barbara for 14 years. She was a joy to be around with her infectious smile and love of life; our boys loved her like a grandmother. Sadly, we lost touch when we moved, but we thought of her often and will keep our memories of her forever. Our sincere sympathy goes out to her family. We know you all were her world. Our prayers are with you.

“ I am saddened to hear of Mrs. Barbara's passing. I knew her from a little girl at Emmanuel Baptist to many years later when our paths crossed again when I had the pleasure to be one of Mr. George's dialysis nurses where we saw each other frequently. Even after his passing she continued to show her appreciation, baking me her amazing strawberry pies. Though small in stature, you always knew where she stood and was truly one of a kind. I will miss her! ❤️
