“ *Dear Glenn, Melanie and Alicia, We were so sorry to learn of Barbara's passing but have had her in our thoughts and prayers for quite some time as she has suffered with her illness. We were truly blessed to know each of you when Melanie became like another daughter to me in Winnsboro. She and I shared so many wonderful memories as well as some hard times too. She, like her Mother was a true friend and beautiful Lady to everyone. We will continue to keep each of you in our prayers for comfort during this great loss. You have certainly been a good and loving family to each other. Sincerely, E.L. and Joyce Beckham Ayers, Maggie Valley, NC*

“ *Chris and I are so sorry to hear of Barbara's passing. When I came to District Five in 1987 Barbara was one of the first people in the DO with whom I had a direct working relationship. She was most helpful in working with me to understand the financial makeup of the district and its' operation. But what I remember most about her is her gentle caring way that she dealt with everyone...she was a true lady in every regard.*
