Richie - sending prayers & love to your family. Barbara was a beautiful lady and a special friend to me. Your tribute is so true. She loved her family so very much. Sorry I could not be there as I had a meeting at work and could not attend but know that my spirit was there. Love to all.

“ My grandmother was a true angel on earth. You taught me how to pray, how to sing, and how to show compassion. I think about you everyday. Although I never met my Grandpa Benny, I have been told how much you meant to him. I cannot imagine how excited he was to see you in Heaven. You may not physically be here with me, but you will continue to inspire me to be the best version of myself I can be.

I love you to the moon and back...

“ *My mother was the most loving and caring mother that raised three boys with more love than can be imagined. Our farther and us boys were her world. Raised on the mill-hill and then across the tracks just down the road from granny and papa. Our mother’s priority was always our needs, and she loved us unconditionally. You will always be in my heart and will always be with me as I continue my journey through life. I can only imagine the reunion you and daddy are having.*
