“ Dear Nancy, Kim, and Families, My heartfelt sympathy in your loss of sweet Barbara. I have such fond memories of your family growing up together at Woods Chapel. Those were special times in the world with family life and parents like ours. Your mother was such a sweet and pretty 'southern lady' with a happy smile. She shared some of her beautiful Iris bulbs with me years ago and I always remember her and that beautiful Spring day with a smile during their blooming season. May God's love surround you with His grace, mercy, and peace during this most difficult time and may your loving memories give you comfort in the coming days. God bless each of you. Sent with my love and prayers.

“ Nancy, I am so sorry to hear of the passing of your mother. She was such a sweet lady. Lots of memories of her when she would come out to the peach shed when we worked. You and Kim will be in my thoughts and prayers. God Bless you both.

I appreciate ya'll allowing me to participate in the memorial service today. I have fond memories of working at the peach shed in 1972. I miss the farmers and the farmland we used to have in abundance around here. God bless you all.

This was a very special lady in my life. I grew up with her as like a second mother. Kim and I have always been sisters of the heart. The whole family always treated me as if I was one of them. Kim, Nancy, I love you both so much. You are always in my thoughts and prayers.
