“ The memory that started my life journey into adulthood was with this sweet woman. My grandmother had come to visit for July 4th, 21 years ago and I was undecided about marrying my high school sweetheart. As we lay in the bed, crickets chirping in the background she said “brandy, if you love him do not waste another minute.” “Oh, how I wish I had 5 more minutes with your papa “ bc of her I made a choice that ended up being the best decision of my life. 21 years later and almost 12 babies. I’m soaking up life grandma. Thanks for pushing me off the edge of my comfort zone into a love I pray is as strong as you and my papa’s was for all those years. I hope your dancing with papa now. Love your granddaughter who’s life you touched.

“ *Dear Mike and Family:
Our heartfelt sympathy in the passing of your sweet Mother. She will be missed by all who knew her and we have fond memories of her and Giles over the years during our days in insurance and with you at Independent Life. We have health issues and will not be able to see you during services but we will lift you and your family in prayer during this difficult time. May God surround you with His love with mercy and grace as only He can and may your many memories provide you comfort during the coming days and keep her close to your heart. We must rejoice in God's promise that we will see our loved ones again with Him in Heaven in the 'sweet bye and bye' and old acquaintances will be renewed. May God bless each of you in a special way.
With our love and prayers,
Clyde and Linda Coggins Roberts*
