“ I remember Barbara from when I was a little girl. She was always so faithfull to her church and church family. She fought a long hard battle but she was a winner all the time. She won all the years, the Lord choose to leave her here with family and friends. And when the Lord choose to call her home on Sunday she won again. Because you see Barbara was in a win,win situation all along. Because she was sheltered in the arms of God. I will miss Barbara every day but especailly on Sunday because there will be an empty seat two pews in front of me where she sat for as long as I can remember. My love and prayers are with Ray, Robbie and family.
