“ Teresa,
You may not remember me but I am Judy Brewer Smith. We lived in house across the street from Harold & Shirley Wade. We went to school together.
Your parents were always the sweetest couple and always welcomed me into their home.
I think of all of you often as we pass the house.
May God comfort you and your family as you travel this valley.
Sweet memories.
Judy.

“ When my mother knew the end was near, the day before her passing, she said, "This is the happiest day of my life because I'm going to be with Jesus and I'm going to be with Tommy and he will be so happy to see me! Don't cry - it's a Celebration!"
