“ i was reading about the lost of your dear loved one and would like to take time to express my sympathy to you and your family.and also i would like to share a few encourageing words from the bible.we hear of death everyday and death is not what our heavenly father had intended for us to go through because it is not natural.we read at Isaiah 25:8 that soon our heavenly father Jehovah God is going to swallow up death and wipe tears from all faces so that you and i will never have to feel the sting that death can give and the heaviness we feel in our hearts when we loose a love one.And soon your love one will hear Christ Jesus voice when he calls him and come out of his memorial tomb to a resurrection of life.(john 5:28,29).with warmest and deepest sympathy a north carolina neighbor.##imported-begin##Donna Carter##imported-end##
