“ ~I have known Barry since I was young. I first met him and his family at Riverside Baptist church. I remember when they lost their daughter and they made a memorial trail at the old Woodland Elementary in her honor.

I had the privilege of taking care of him in the ER a few years back and he remembered me immediately. He also shared with me some memories I didn't even realize he had of me a few of my friends from back in the day. It warmed my heart listening to him recount his memories.

He was always so kind. I know his welcome into Heaven was that much more grander knowing Tonya was there waiting on him!

Rest In Peace Sir, you will be missed!
