“*I have not seen Barry for over 35 years. As young men we had many prayer meetings together, sang together and went to revival meetings. I have been pastoring in Kentucky for the last 34 years. We will pray for all the family and trust God will strengthen and comfort each of you during your time of grief. Remember no one is ever lost when you know where they are at.

“ To Tracy and family, and to Chal. A friend posted the news of Barry's passing, and I immediately felt a sense of loss for you as a family, and for anyone who knew Barry and his love for others. I am so sorry. And, with the sadness, I recalled how I remembered him from so many years ago - a few years younger than me, but he was wise beyond his youthful years, mature in his view of the world, and most importantly in his faith and love for Christ. I remembered when in high school, he and I would occasionally go shooting clay pigeons, and I always valued his friendship.

May God's peace be with you as you adjust in this time

“ Just heard the news of Barry's passing. I met Barry a few years back, when he called us to do some contract work at his house. That night I met a new friend. Although I, and many more will miss him dearly, he is with his Lord and Savior that he loved so dear. Knowing that brings comfort and true hope to see him again. Tracy, Mrs. Dot, and the rest of the family, I am sorry for your loss, you will be in our prayers, for peace and comfort that only Jesus can give. God Bless,
