Well , it's almost my Birthday on October 26 and I have thought of you everyday for the last 2 weeks! I miss and love you and am so sorry I didn't get to hold you and tell you how much I loved you because of Covid 19. It really makes me angry how we were and how people are still being restricted as to see their loved ones. Mama please Rest In Peace and know I am sorry for not being able to be there for you . I love you!
