“ Olivia and David. i know that this is a hard time for you but comfort yourselves in knowing that your Mom is with the most ultimate being and living in a new body, no suffering, no worries and no work. She would always wave every day when I passed in the bus. Though times have changed all our lives and we have gone our own ways the love for you and your family is still as strong today as it has always been. I can still see Daid and Bunk building that white stand for Furman, and the lavender satin jacket David ordered for me. Big "O" you and your Mom playing all those year of ball together was a LOT of fun!! I will always have those memories of you guys being so close in everyday life as Mom, Son and Daughter. Most families don't have that opportunity to share some golden times such as these. Olivia I know this is especially hard since Beck-Beck left us so recently. Nomatter what...you can always come to see me or call me. I love you both and will be praying for your comfort and peace beyond all understanding. it was good to see you both but sorry it had to be under these circumstances.

With deepest Sympathy,
