“ It was my privilege and my pleasure to work with Ben for many years at J. P. Stevens and to consider him to be a very good friend. Ben was a very capable, yet non-assuming individual who never sought the limelight for his efforts, instead he allowed his associates to seek the credit for the jobs that he handled so well. A road well-traveled, a job well done. God speed, Old Friend.##imported-begin##Evans Medlock##imported-end##
