“ To Deanne and family -
My deepest sympathy to you on the passing of your beloved mother. She always had such a positive outlook on life along with her sunny disposition. Years ago, when our neighborhood had our annual New Years' progressive dinners, I always looked forward to whatever course she and Russell would be serving, they were both gourmet cooks. I always envied her fantastic talent with needlework. She was kind enough to give me two of her creations and I will always treasure them. Goodbye, Berneice, I shall remember you for years to come.

“ I worked wtih Mrs. Walstrom at LTAC and had been gone for a few days. I was so saddened to come back to work and find out she had died. She was a thoroughly delightful lady to work with. She was always sweet, kind and agreeable.
It tickled me one day when I came in and there was a note on the message board that she loved golf. I mentioned this to her and talked a bit about golf to her although I don't play. It was so wonderful to see how her face lit up just talking about the subject. She was such a sweet lady the kind of lady I would have liked to know under other circumstances.
I know her family is going to miss her terribly.
Sincerely,
Leigh Pollock###imported-begin##Leigh###imported-end##

“ Just wanted you to know you have our deepest sympathy over the loss of our "Mrs. Walstrom". Through the McAbee's, she has been a part of our family and family gatherings for some time. We will not forget the times we have had with her. She was always kind, supportive and a friend to all. We would be at the service if possible, but we will be out of town.
