“ Beth and I were besties in and out of school for as long back as I can remember. We had sleepovers at her house and mine and her parents were so, so nice. Jackie was so cute. He just adored Beth. We would go over to her Aunt's house and have so much fun with her cousins. We went so many places together with other friends, celebrated those sweet sixteen birthdays together. We giggled so much. In class. We'd pass notes. Giggle at our lockers if a cute boy passed by. But we were studios, too, and caring. Especially Beth. When my dad had a heart attack, she was so caring. She was caring to so many that others ignored, she would reach out a hand. Her Wedding to Harold was so Beautiful. Harold, I know you and Ryan and Katie, and Jack will miss her deeply. May God and his Peace be with you all. I will keep you in my prayers. And Beth, we will see each other again. We will be GIGGLING LIKE CRAZY!!!

“ I am so sad to learn that Beth passed away. I've known her for over forty years, and we worked together at Springs Industries. She was such a good and kind person. I pray that God will comfort you during this difficult time. She will be truly missed by all.

" I first met Beth when she came home after school with my sister Jean, I think, they were in the third grade. Many years later I had the honor to work with Beth in the Technical Center and in the lab at Springfield. To me, Beth portrayed what it was like to be a Christ-like person, always kind always helpful and had good to say or said nothing at all. Linda and I pray God's peace and Love to each of you family members." Hugh & linda Cannon.
