“ Lee & I have nothing but sweet memories of Miss Betty! She was a wonderful "neighbor" and friend. We have missed her these past several years, but enjoyed our last visit with her at Christmas. I was so afraid she wouldn't remember us and had a fear of visiting her, but after only a moment she recognized us both, gave us big hugs and we sat with her holding my hand while they sang Christmas carols and all of us singing along. I loved your mom, she left quite a legacy through her children. I know she is so pleased to be with Bernard and her Lord! Love & prayers to all of you.
