Tribute Wall

“ Our thoughts and prayers are with you. Your Mom will be greatly missed. She was an amazing woman. Just remember the great times you had with your parents, Your Mom is probably looking for the kitchen and your Dad might be playing cards. We remember the good times we had together. Our beach trip was one of the best trips we ever had. Rocking on the porch and playing cards. I miss those times. But now you can make memories with your families. Time goes on but memories remain.

We love you both.

“ I have wonderful memories of my sisters and I in our younger years playing at Betty's home with Betty's daughters, Gwyn and Jane. Betty was always so sweet and kind to us.

So very sad to hear the news of Betty's passing but I am sure of this...she is in awe of her new life in the peace and presence of our Lord.
