“ I can remember going to Betty's home for lunch one day from work, and I got into her jucussie, how ever you spell it, she gave me a glass of wine, I thought, so I drank it, and I got to feeling good, later found out, it was only grape juice. hilarious yes, they were several others there that new what she was doing. Of course, now I have found Jesus as my personal savior and I don't doing any drinking. Betty was one of a kind, she was caring, kind and a very sweet lady and I enjoyed working with her so much. She was a great friend, and I'm going to miss her so much. My prayers are with you Jeff and the kids. If there's anything I can do for you all please let me know. May God Bless You.
