“ My precious friend. She had a heart of gold and loved her precious Lord and Savior and was waiting for His return. She was so special and had such a contagious laugh. We had lots of good times together at Praise Cathedral Senior Village, going out to eat with our friend Patricia Newton who went on to glory before her. She loved her neighbors Frank and Lynda Taylor who was such a blessing to her and Pastor Dr. Tommy Harvey. Oh how they blessed her. We loved her so much and look forward to the great meeting in the air. She has just saw Jesus who she has waited for and has reunited with her precious son Steve. We love you Betty, our precious friend. Don and Charlene Patterson.
