“ Just saw this today, we are so sorry. I can understand the loss, both parents are in heaven together. Loved your sweet mom and dad. God bless you as only he can.

“ Tim, Susan and family. I am so sorry to hear about the passing of your Mother. I know exactly what you are going through as I just lost my Mother on March 16th. May God give you the comfort and strength as you navigate through this very difficult time.

“ One of my favorite things to do when I was growing up was to visit Aunt Betty and Uncle Alvin. I remember those visits as being filled with warmth and love, and copious quantities of laughter, (even a little giggling now and then). I've been so blessed to be part of their extended family and I'll always be grateful for the kindness and understanding that was shown to me. I loved them dearly, and now that Aunt Betty is gone, it's the end of an era. She'll be greatly missed but never forgotten. Hank and I send love and prayers to Jeannie and Johnny, Timmie and Susan, and all of their families, and wish that we could be with you now.
Much love, Anna

“ *Betty & Alvin were beautiful examples of family life for Duncan in the late '60's. They had 2 children Betty was the homemaker and Alvin the bank executive. The perfect couple.*
