“ Betty was the best neighbor and friend my family and I ever had. Always there when you needed a hand. I hope you are laughing and talking with Jennie, Claudie and Jason right now. Now you can be their neighbor and friend in Heaven.

“ I wish my hands could reach the sky, I would gather a fistful of stars, and hand them to you, on a blanket of blue, with white cloud lace. The smile on your face would be all the reward needed.

You are so missed already, but you have imprints on our hearts, that are there forever.

“ Bettie made me laugh even in the darkest of days. She made me feel comfortable to be who I am. Her fearless belief in right and wrong was astounding. She touched my heart, my life. I will carry her with me, always.

“ *Bettie was always there when I needed her
And even when I didn't she made me smile many times and laugh
alot....
Any time we talked she never failed to tell me to hug my kids a little
tighter for her..
So I do now constantly.
Bettie tell God to hug you tight for me and the babies
I love you and always will*

“ SIS... not a day will go by without something reminding me of you. I am so happy to have been your friend. You were such a special lady. We became like sisters and you always cared about all your friends and family. I will always remember the one thing you always said "if someone needs food, I'm not going to let them go hungry". You fed people, animals and helped whoever needed was in trouble. I can't imagine anyone not loving you. I know you cared so much about your children and Mark. Your friends will stand by them! You rest in peace! I know that there is an angel in heaven now and I know that angel is someone who is going to look out for all of us. I love you Bettie and I will miss you until I see you again! “ *Bettie was a good friend, we never met in person, but we had plans to meet on a cruise someday. We met on Facebook several years ago and spoke almost every day. We have a pretty close group of FB friends of which Bettie was the center and we continue to mourn her loss. Our prayers go out to her family, especially Mark and JT.*
