“ *Dear Michael and Family,*

I am so sorry to hear of your mom's passing. I did not know or I would have definitely been there to pay my respects. I loved Betty Jo and enjoyed seeing her from time to time. I hope that you all can find peace in the days to come. I know she will be missed dearly but I also know that she has been reunited with Travis and everyone and what a celebration that would be. Love and prayers for you all,
