“ We shared so many good memories and went through lots of troubled times in our family too. She was always just a phone call away and has stood with my family through many bad days. I hope her love never waivered for me, mine never did for her. We had many long time late night talks and I'll treasure them forever. May you Rest in Peace Betty...Will miss you dearly...Carolyn Bowers Southern

“ Betty was my favorite cousin, we grew up close to each other, only our age was one year apart. We had long telephone conversations late at night, I will dearly miss that because it has been going on for 16 yrs. Ever since I retired. We grew up loving and sharing with each other. To Terri and family there was no other like Betty she was one of a kind . She was a loving person and loved her grandchildren dearly always telling me stuff about them, they were her life so sad for her not to see them grow up and become adults RIP Betty love you and never thinking our sat. night was our last phone talk and she told me she loved me those words will always be buried in my heart Your cousin Elizabeth (Libby)
