“ Aunt Betty was a very special lady. Those of us that knew her closely, were very lucky. We had many good times together. She was like a mom to me in some ways, and a sister in others. I only wish I could have spent more time with her, before our health got the best of us. I remember many good times we had, a lot when I was younger. Mother and Aunt Betty were two special ladies. God will definitely have his hands full in heaven with these two. All I can say is she has her wings now. She will be sadly missed. I love you very much Aunt Betty

“ Our hearts are with you at this time of grief and sorrow. There is no good time to lose a loved one, but if knowing through this period that you have people and family who loved her, love each of you, and grieve with you, then know we are with you.
