“ *Very sad to hear of Betty Ann’s passing. She is loved by so very many. I had the privilege of having her in my life since I was a young girl. She was very good to me and I will never forget her. Some of the best times of my life were playing softball with her and Frances. I spent evenings over at her house. Some with brown paper bags soaked in vinegar on my ankle so I could play the next day. Thank you for joy that you helped bring into my life.*

“ I knew Betty from years ago. Played softball with her. She had one heck of an arm. Always sweet, never seen her mad at anyone. She will be missed.

“ *I am so sorry to hear of Betty Ann's passing. I think I still have
bruises from playing touch football with her. I loved her like a sister.
I can remember the 1940 Ford Coupe she drove around Pelham for
several years. She could really swap the gears in it.*
