“ Betty was a teacher at Westminster High School beginning in 1954 and was such a wonderful person. Although she taught Home economics , she was also a good freind to all the students Boys and Girls alike. She use to give me goodie that the class had baked and enjoyed the fellowship we all had back in the 50's. God bless you Betty and you will be turly remembered.

“ One of my best memories of Ms. Betty was when she & I traveled on a Greyhound bus full of other women to Longaberger Co. in Dresden OH. We had such fun. Shopping, eating and lots of oooohh's & ahhh's. She was a Godly Women who spoke her mind on the Right Way to live & pray. Thank you very much Ms. Betty for taking me in hand & guiding me thru the years. I will miss you my Wonderful Friend!

“ I am so sorry to hear of Miss Sudduth's death. That is what we called her in Her home ec' and sewing classes. She was a sweet lady who taught us all how to set a proper table, serve a gracious dinner and sew a straight seam. I could do the dinner, but still can't sew a straight seam. Our class of 1956 will miss her. Sincere prayers and sympathy to the family. Sally Friedlander.

One of my favorite teachers. I learned so much from her. I did learn to sew a straight seam but some how didn't get the cooking piece. She taught me, a little country girl, poise, how to be gracious and so much more. Loved her very much. A sweet person and so proud to have known her. Rest in peace. Martha (McGuffin) Hall.
