“ I remember Betty from when my mama and Daddy used to go to see your family in Greenville when we were just kids. She was such a wonderful loving person. I remember my Daddy singing with her and your Dad, Toy. I loved to hear them sing. In later years she was such a good friend to my Mama. She talked about Betty a lot. Our prayers are with all the family. May God comfort your hearts. Sharon Gosnell Crowe

“ To the family our deepest sympathy, Betty was one of the kindest person I have ever met. My favorite memories are when she played the piano and her, Toy and Ms.Dill sang a good ole gospel song. The church people would be clapping and shouting asking them to sing another one. She will be missed by family, friends and Glassy Mountain Baptist Church.

Those we love  
don't go away,  
they walk beside us  
every day.  
Unseen, unheard  
but always near.  
Scrolling thru Heaven  
Holding Jesus hand.

“ Dear Ronnie, Donnie, TJ, all Grandchildren, Great Grandchildren and all Family and Friends, we are praying for you all. Betty touched so many lives. There are not enough words to express how much Betty is loved. She is no longer suffering but is with Jesus, walking on Streets of Gold, and in a New, Perfect body. Betty always had such a warm smile and loved everyone. She was always concerned with other people. Betty was an exemplary wife, mother, aunt, grandmother, niece, cousin and friend and a wonderful pianist and singer. There are not enough words to convey how much my family and I loved her. She always had a positive outlook on life. She missed being able to go to church, to go to family events, and other aspects of life. Betty was a very giving and living individual. I am so thankful to have had her in my life. May God provide your each and every need including grace, peace, comfort, love and discernment. I cherish all of the memories and times spent with her. It is due to Betty's encouragement that I have been playing the piano almost 50 years, and 35 years as a Church Pianist. Betty was a delight to spend time with just talking and sharing. She was such a gracious Southern Lady. If there is someone, either a Friend or Family Member, who is not saved, may this be the time that someone will repent of their sins and accepts Jesus as their Lord and Savior. Remember the special times shared with Cousin Betty. You are all in our thoughts and prayers.
