“ I will always remember Aunt Betty as a kind, giving soul. Whenever I would walk over from grandma's (Myrtle) house (just two houses away), she would always offer me something drink, cake or candy. I used to always ask if anything needed to be taken to Aunt Betty's house!! I remember her warmth and her sweet hugs. She always talked about how much she loved her family too and always complimented me on my accomplishments throughout life. She will be missed. I am sorry I can't make it down from NYC, but know that my thoughts and prayers are with you. Lots of love.##imported-begin##Stacey Lancaster##imported-end##
