“ *To my dear darling Aunt Betty, You have been an inspiration to us all! No matter what life had to offer, you always made the best of it. We love you very, very much! To Butch, Sandra, Tammy and Eddie. She loved you all with all her heart! I know you will miss her, but just remember you have the peace of knowing where she is, and her only wish before she died, was that she will also have the peace to know, that one day, she too will see you again. The grandchildren and great-grandchildren, you were the apple of Aunt Betty's eyes. Her love will always live in each of your hearts and souls. We love you all and you will always be in our hearts and prayers, for I know that her and mama is having one more time in heaven. We are here, day or night whenever you need us! Much love and Prayers, The Odom family##imported-begin##Rhonda, Michael and Mariah Odom##imported-end##*
