“*Dave, Terri, Cathy and Debi and all the grands,*

I am so sorry to learn of Aunt Betty's death. She was always one of the most loving, caring, kind persons it has ever been my pleasure to know. She was a fine Christian lady that lived her life led by God!! All of you bear witness with the wonderful people you have become in your life because of her and I feel the same way. Even though we did not see each other much in the years since our parents seem to go in different directions it certainly by no means takes away all the memories I have of all the good times we have had and how much I loved your Mom and Dad and all of you. Please know that you are in my prayers but due to some serious health issues that I am going through I will not be able to attend the funeral. We really need to get together and keep our family in touch!! Love to you all, Claudia

I was saddened to hear of your loss. I sure thought a lot of Betty. She was a special lady and a genuine person. You could just feel her love when you were around her. I know she loved her family and she will be missed. My prayer for you all is to cherish your memories and know she's not hurting anymore.

It will take a while for it to soak in as I'm experiencing the same feelings about my mother. Take care of each other, she would want that.
